

Test Update: Test Code Changes

Adam Meyer, MD, Associate Medical Director, Clinical Pathology Services

December 26, 2019

Effective January 19, 2020, PathGroup will add pediatric test codes for the following tests. The new pediatric test codes are listed in bold in the table below. There are also specimen collection changes for 5-a-Dihydrotestosterone which are listed below as well. For additional information about each test, please visit the online Directory of Services at <http://www.pathgroup.com/clinical/testing-menu/>.

TEST CODE	TEST NAME	ADDITIONAL INFORMATION	SPECIMEN CONTAINER		TRANSPORTATION TEMPERATURE
